

SENSE COLLECTION

VOXFLO[®]

12 of 36 colors are chosen to make the roomsetting pictures in this brochure. Obviously, SENSE COLLECTION could do more than this. It's designed to inspire architects and interior designers.

SENSE COLLECTION

Still having a headache for not having a suitable neutral color?

VOXFLO[®]R SENSE COLLECTION will be a favorite of designers and architects. Whether used alone or in combinations, SENSE COLLECTION creates a low-key, subtle, rich, reliable, story-telling and mindful atmosphere on the floor. The puffy high yarn loops and tight low yarn loops make the floor more appealing.
